

**Jomo Kenyatta University
of
Agriculture and Technology
(JKUAT)**

**COLLEGE OF HUMAN
RESOURCE DEVELOPMENT
(COHRED)**

The College started as a humble Centre for General Studies in the 1980's, became the Institute for Human Resource Development in 1991 and then the School for HRD in 2006. By June 2014 the School grew into a College namely; the **College of Human Resource Development (COHRED)** under the leadership of a **Principal**. The College houses 3 Schools namely: School of Entrepreneurship, Procurement and Management (SEPM), School of Business (SOB), and School of Communication and Development Studies (SCOM&DEVS), and 7 departments. The College's goal is to develop skilled manpower by promoting the theory and practice of knowledge. Specifically, the College's

Vision Statement:

To be a global College of excellence for human resource development.

Mission Statement:

To produce leaders in training, research and innovation for Development in the fields of Human Resource, Communication and Enterprise Development to suit the needs of a dynamic world.

COLLEGE OBJECTIVES

1. To enhance the understanding of enterprise development by conduction research and evaluation.

2. To enhance self-confidence and the ability to critically evaluate business, communication, management, development and issues and develop solutions from the ethical Professional and academic perspectives.
3. To resolve business, development, management and communication issues by drawing on resource personnel from various disciplines with the College and University.
4. To conduct research and seminars in areas of business development, management and communication.

Its programmes are aimed at all levels of management and the general public. The resource personnel are drawn from the College and technical departments in JKUAT, other public universities, and key business organisations depending on the nature of training.

The College is backed by formidable teaching staff members and College has diversified its courses to include human resources management, transport management and clearing and forwarding.

The College offers service courses for the entire University for both undergraduate and postgraduate levels various fields.
