

JOMO KENYATTA UNIVERSITY OF AGRICULTURE AND TECHNOLOGY

17th Graduation Ceremony

Committed to the development of science and technology

Message from the Chancellor

I wish to sincerely congratulate the graduands for their achievement. I extend my gratitude to parents, guardians, our development partners, University staff and Alumni for their devotion to our University. I am pleased to note that JKUAT is in the frontline in the search for solutions to the country's technological and economic challenges articulated in Vision 2030. A number of pioneering researches have been undertaken by JKUAT in areas like biotechnology, agriculture, engineering, and information technology; that are likely to solve the country's unemployment problem. I wish all our graduands the best in their professional careers.

Prof. Francis Gichaga, the Chancellor

Message from Council Chairman

I salute all graduands for successfully completing their training in the various fields. I extend my gratitude to all staff and other stakeholders for their invaluable support that has brought us this far. The University has continued to reposition itself and is not deterred by emerging challenges facing public universities which include space and financial constraints. In response to the demand for our programmes, the University has expanded and is now home to eight campuses namely, Karen, Nairobi, Taita Taveta, Nairobi CBD, Mombasa CBD, Nakuru CBD, Kitale CBD and Kisii CBD. In addition, plans are underway to avail JKUAT programs beyond our national borders in Tanzania and Nigeria. My sincere gratitude to the entire university fraternity for their continued efforts for in raising JKUAT high making it the preferred university

Mr. Adan Mohammed,

Message from the Vice Chancellor

I take this opportunity to congratulate all those graduating today and urge you to apply knowledge and skills acquired to come up with innovations that will lead to job and wealth creation. With emphasis on research and innovations, JKUAT has realized new technologies and products which have proved beneficial to end users. In this regard, I am pleased to announce that one of our students in the Architecture Department won the 2nd Edition of the East Africa Institute of Architects President's Awards as the Best student of Architecture in East Africa which took place in Kigali, Rwanda a fortnight ago. In line with our vision of becoming a university of global excellence in training, research and innovation for development, the faculty of engineering has been elevated to the College of Engineering and Technology to offer a broader diversity of courses.

Prof Mabel Imbuga

Deputy Vice Chancellors

Prof Esther Murugi Kahangi, Deputy Vice Chancellor (Research, Production and Extension)

Prof Francis Njeruh, Deputy Vice Chancellor (Administration, Planning and Development)

Prof Romanus Odhiambo, Deputy Vice Chancellor, Academic Affairs

Our Vision:

To be a university of global excellence in Training, Research and Innovation for Development

Our Mission:

To offer accessible quality training, research and innovation in order to produce leaders in the fields of Agriculture, Engineering, Technology, Enterprise Development, Built Environment, Health Sciences and other Applied Sciences to suit the needs of a dynamic world.

Our Motto:

Setting Trends in Higher Education, Research and Technology

JKUAT ISO 9001:2008 Certified

You don't need to work two jobs to double your salary!

Open a Barclays Salo account and you could double your monthly salary

This account offers;

- Free banking for the first 3 months*
- A choice to pay a flat monthly fee or pay per transaction
- Free mobile banking*
- Free debit card
- Free full statement
- Free deposits
- Discounted interest rates on check-off loans

Don't miss this chance to double your monthly salary

CONGRATULATIONS TO JKUAT
 ON YEARS OF
HELPING TO GROW
 THE KENYAN ECONOMY!

Agriculture and Technology are key for Kenya's future prosperity, and as such, the Jomo Kenyatta University of Agriculture and Technology is important to Kenya. This is why KCB is happy and proud to be JKUAT's bank of choice and to salute the institution as it celebrates its Graduation Ceremony on 29th and 30th of July, 2010. The latest crop of fully qualified students will help grow the Kenyan economy for years to come. Hongera!
