**SUBJECT: USE OF EXAMINATION CARDS DURING THE AUGUST 2015  
EXAMINATIONS**

The University has depended on the use of examination cards to identify bonafide candidates during examinations. After extensive consultations, this practice has now been discontinued owing to its lack of effectiveness.

This is therefore to inform all candidates for the forthcoming examinations that they will not be required to produce examination cards during the examinations. Instead, a list of all qualified candidates, especially on fees payment, would be generated by the Finance Division and forwarded to the departments. This will be the list that invigilators will use to allow candidates access examinations.

Candidates will be required to confirm their status from that list by the time the examinations commence. All queries should be directed to the office of the Deputy Vice Chancellor, Finance.

In the meantime, we wish you success in your examinations.
