

**JOMO KENYATTA UNIVERSITY
OF
AGRICULTURE AND TECHNOLOGY**

INTEGRATED MANAGEMENT SYSTEM POLICY

JKUAT is committed to achieving the highest quality standards in provision of training, research and innovation services that consistently meet customers' requirements and exceed their expectations.

The University Management has established an Integrated Quality and Environmental Management System (IMS) and commits to conform with requirements of ISO 9001:2015 and ISO 14001:2015.

Further, the management commits to:

- i) Comply with all applicable statutory, regulatory and other obligations that we have subscribed to
- ii) Provide and maintain a clean and safe environment
- iii) Conduct regular management review and continually improve our IMS
- iv) Continually improve our environmental performance by reviewing the set targets annually
- v) Promote efficient use of resources and implementation of measures to minimize environmental pollution
- vi) Promote entrepreneurial culture in all our processes.

IMS objectives shall be established and monitored at Corporate and Departmental level, and reviewed at the end of every financial year.

This IMS Policy shall be reviewed at least once every 3 years.

VICE CHANCELLOR

21/1/2019.
