JOMO KENYATTA UNIVERSITY

OF

AGRICULTURE AND TECHNOLOGY

POSTGRADUATE RESEARCH LOGBOOK

The purpose of this Student Research Logbook is to assist the student throughout his/her research work at Jomo Kenyatta University of Agriculture and Technology (JKUAT). It should contain the progress record of a student, from the commencement of research until completion of the thesis. The logbook will help the student to plan the development of his/her study and the supervisory team to assess the progress. The logbook will be filled in by the student following each supervisory meeting every month. In addition, the student should include the dates for the seminar presentations made, conferences attended and journal publications.

The summary of activities entered must be a verifiable record jointly agreed upon both by the student and the supervisor(s).

This logbook shall be submitted to the Graduate School together with the intent to submit thesis form. The submission of this logbook is not optional and the University reserves the right **NOT TO AWARD** the degree if there is sufficient evidence that information provided by the student is incorrect.
